

Utica Band Fundraiser with Tastefully Simple

There are 2 ways to participate in this service being offered to Utica Band.

1. The first way is by being a Tastefully Simple "Host", but instead of having a in home party you will "Host" by email. It is very simple!
 - If you are interested in being a "Host" you need to send your name, Phone number, address, email address, stating you are with Utica Band to: simplysimple123@aol.com. Gina Cox is our Tastefully Simple Sales representative and putting together this fundraiser for Utica Band.
 - Once Gina receives your contact information you will receive an on-line E-vite. At that point, send the invitation to as many of your contacts as you would like. These can be anywhere in the United States, including Alaska, Hawaii and Puerto Rico. For the best success, it's recommended to send to at least 15 people. There will be a link on the email you send out for your contacts to make their purchase from. It is important they use this link, it has your host ID for tracking.
 - All orders are paid for through the linked website and all orders are shipped directly to each person. This could not be any easier to manage! **Utica will earn 20% of all sales combined in cash. PLUS.....Each host will be rewarded for their sales.**
 - Send contact information as soon as possible to Gina Cox, when you receive her reply follow the emailed link and the directions there. You may want to follow up with your contacts within a week or so. We can leave open for a few weeks then we will close for your earned credit reward with Tastefully Simple.
2. The second way is to go directly to www.tastefullysimple.com/web/gcox put in UBF (Utica Band Fundraiser) after your name so that credit can be given to Utica Band Boosters. **Utica will get 20% cash on all combined sales.**

Feel free to contact Gina Cox with any questions, or about products.
